## ESTUDIANTINA LEWISIANA

1

We are the students of Lewis,  
Courageous and canny and gay,  
Always jolly,  
In our folly,  
Let the future present what it may.

|| : Life was not made for the quitter,  
Down with the coward and mope!  
Drink off the sweet with the bitter,  
Here's to our joy and our hope : ||

2

We are the students of Lewis,  
Of Lewis the tried and the true,  
Allen Pater,  
Alma Mater,  
We're as loyal as steel to the blue.

|| : Throned by the highways of racket,  
Calm in the midst of the noise,  
Ere we face life and attack it,  
Teach us thy firm equipoise : ||

3

We are the students of Lewis,  
Of Lewis the tried and the true,  
Allen Pater,  
Alma Mater,  
We're as loyal as steel to the blue.

Canny and jolly and gay,  
Firm in the midst of our folly,  
When the bugle sounds,  
When the bugle sounds,  
When the bugle sounds the call  
"To arms"

Then is heard the shout,  
Then is heard the shout,  
Then is heard the shout,  
"Here we are! here we are! here  
we are!"

We are the students of Lewis,  
Of Lewis the tried and the true,  
Allen Pater,  
Alma Mater,  
We're as loyal as steel to the blue,  
Yes, as loyal as the blue, Ah!  
Yea Lewis, Yea Lewis, Yea Lewis,  
L—E—W—I—S Lewis.  
Here we are.
