NATURALIZATION INDEX

The naturalization index is for the Des Moines county, Iowa the years 1849 - 1857. The index is under three headings: District, County, and Circuit Court Records. They are partially indexed, that is, - all the A's are together, B's and etc, but are not alphabetized. In the District and County Court Records the page number is prefixed with a letter of the alphabet the Circuit Court record #2 just has the page numbers. If you want the details it is necessary to go to the courthouse and get them.

This index of Naturalization was copied by members of the Des Moines County Genealogical Society of Burlington, Iowa.
