## ENSEMBLE HISTORY

The Tucson Music Teachers Association's Piano Ensemble has been an annual event since 1953.

TMTA members Winifred Knight and Janice McCurnin organized the first ensemble concert with Dr. James R. Anthony, University of Arizona Professor of Music History and Piano Instruction, as the conductor. Dr. Anthony continued to serve as conductor for forty years. He retired after the Ensemble's 40<sup>th</sup> anniversary concert in 1993.

Subsequent conductors have been Dr. Joan Ashcraft (1994-2003), Dr. Michael Ard (2004), and Dr. Timothy Kolosick from 2005 to the present.

The first concert in 1953 had an enrollment of fifty-six students from eight teachers. Compare this with the hundreds of students and scores of teachers in recent decades.

Other groups involved with concerts have included the Amphitheater Concert Choir, Tucson Junior Strings, Children of Baboquivari, Sahuaro Singers, and the Tucson Ballet Company. Various composers have been commissioned to write music, and arrangements and compositions by local composers and teachers have been used.

TMTA teachers give immeasurable amounts of time in planning and organizing the Ensemble concerts; however, even the best rehearsed plans go awry! At one memorable concert, student performers entered and took their places. Dr. Anthony raised his baton. The music began with two different groups performing separate pieces on stage!

TMTA continues to provide piano students the opportunity to perform within an ensemble and respond visually to a conductor. Students are gratified and proud of playing a part in the successful production of a memorable, formal performance which showcases their talents and many hours of hard work.

# In Remembrance

The Tucson Music Teachers Association would like to recognize the passing of composer Robert Vandall who died on February 9, 2017. Mr. Vandall was the guest conductor and composer at our 60th Anniversary Ensemble Concert where we premiered the commissioned work “Tucson Toccata”. Mr. Vandall’s music is recognized internationally as a staple of piano teaching repertoire and his pieces always feature prominently in our Ensemble concerts, with two of his pieces, “Topaz Sonatina” and “Hiking Song”, being included in the concert tonight. Mr. Vandall was an incredible talent but also a singularly kind man with an unassuming personality who always put the students at ease. TMTA was fortunate to have him visit several times through the years to give masterclasses and showcases of his new music. While we mourn the end of this prolific creative talent we can be grateful for the wonderful musical legacy that has been left for us to enjoy. Thanks Bob. You will be missed.

## Contrasts

*The musical world is full of contrasts. From loud to soft, fast to slow, high to low, we find music speaks to all areas of our lives. As we perform the musical selections of this concert, you will see a large variety of contrasts between the pieces and even within each piece. You will hear rhythmic music that makes your toe tap and flowing sounds that move your heart. Dramatic music followed by a march and then perhaps a tango or a waltz. You will hear music that takes you back in time and then propels you into the future. Serious, comedic, cute, mellow, exciting are all contrasts found within the program presented here. As you experience the music, we hope you enjoy the contrasts in the spectrum of emotion and the diversity of styles and rhythm that help make learning music a truly wonderful endeavor.*
