You are correct George Homegardner Sr who married Mary Ann ~~H~~<sup>L</sup> Hermann represents your mothers Grandfather and Grandmother.

You are correct again, in stating that Charles Homegardner who married Lena Ehret was ~~the~~ the Father and <sup>Lena</sup> Mother of your mother. Joe you have two more daughters to list as children of Geo Homegardner Sr. One was Mary Homegardner who married a man named Will Price and he died then Mary married Joseph Pheifer.

See sheet #2

-----

Mary Homegardner and Will Price had one son named George Price and he died in Cleveland. George Price was married to a Minnie Schrenk. They had one son Kenneth. He disappeared and his whereabouts are unknown. Minnie Schrenk also died. . The second daughter was Idella who died in infancy. Idella of course would be a sister of aunt Martha and aunt Kate.

Here is another record: Mary Homegardner another sister of Aunt Martha and aunt Kate had the following children;

Arthur Pheifer deceased, and was not married

Edwin Pheifer, married Elizabeth Goretzki

Elmer Pheifer, " Catherine Logan

Edna Pheifer " Wm Johannsen

The Wieber family had three children, Ralph-George and a sister and I think her name was Clara. Maybe in your mothers records

you can check this girl's name. Aunt Kate Thomas had five brothers.

Charles, the father of your mother

George, my father,

John, young man who died unmarried age 21

Frank, never married died in the thirties

Edward, married to a girl named Callan. They never had any children that lived.

You had better check with Genevieve Scheid who lives in Chicago Heights about the Hauck family.

Work up what you can get out of this mixed up dope I am giving you, then write me again for any of the missing links you need to tie in.

Its a big relation if you check further for babies that came in the last 25 years.
