

STATE GENEALOGICAL SOCIETY

P.O. BOX 10195 • SPRINGFIELD, ILLINOIS 62791

November 7, 1994

Robert Joseph Fieg  
2257 E. Christy Dr.  
Phoenix, AZ 85028

The Illinois State Genealogical Society is pleased to present the enclosed certificate to you as a descendant of an Illinois Prairie Pioneer.

You have submitted documented evidence of your ancestor's residence and your line of descent. The information you submitted will be held for inclusion in a future volume of "Illinois Prairie Pioneers". The documents will also be included in a future microfilming project of historical records preservation.

Your ancestor's Illinois residency has been proven; if other family members desire a certificate, they need only to submit evidence of their own line of descent from the pioneer. Applications are available from our Springfield office, or from me at the address below.

The certificate features an outline of the state of Illinois with a drawing of a log cabin and split rail fence. Also included in the drawing are the following official state symbols: white oak tree, violets, white-tail deer, cardinal bird, and monarch butterfly.

Thank you for your participation in this project.

Sincerely,

*Carol Gustafson*

Carol R. Gustafson  
Prairie Pioneer Chairman
