You are correct George Homegardner Sr who married Mary Ann ~~H~~
Hermann represents your mothers Grandfather and Grandmother.

You are correct again, in stating that Charles Homegardner
who married Lena Ehret was ~~the~~ the Father and Mother of
your mother. Joe you have two more daughters to list as
children of Geo Homegardner Sr. One was Mary Homegardner who
married a man named Will Price and he died then Mary married
Joseph Pfeifer.

See sheet #2

Mary Homegardner and Will Price had one son named George Price and he died in Cleveland. George Price was married to a Minnie Schrenk. They had one son Kenneth. He disappeared and his whereabouts are unknown. Minnie Schrenk also died. . The second daughter was Idella who died in infancy. Idella of course would be a sister of aunt Martha and aunt Kate.

Here is another record: Mary Homegardner another sister of Aunt Martha and aunt Kate had the following children;

Arthur Pfeifer deceased, and was not married

Edwin Pfeifer, married Elizabeth Goretzki

Elmer Pfeifer, " Catherine Logan

Edna Pfeifer " Wm Johannsen

The Wieber family had three children, Ralph-George and a sister and I think her name was Clara. Maybe in your mothers records you can check this girl's name. Aunt Kate Thoma/ had five brothers.

Charles, the father of your mother

George, my father,

John, young man who died unmarried age 21

Frank, never married died in the thirties

Edward, married to a girl named Callan. They never had any children that lived.

You had better check with Genevieve Scheid who lives in Chicago Heights about the Hauck family.

Work up what you can get out of this mixed up dope I am giving you, then write me again for any of the missing links you need to tie in.

Its a big relation if you check further for babies that came in the last 25 years.

Joe: Answering your last question my mother's maiden name was Helen Walter.

Use the material I have given you, but if you need any additional information on any of these renegades ask and it will be sent you in the event I am able to answer it correctly.

Kindest regards and sincerely hope you will be able to complete this good work you have started out to assemble. Christmas will be here once again on December 25th, 1963 and the entire clan will gather on that day at the home of John and Helen Savord at Cedar Point and we expect a full attendance of 36.

Merry Christmas to you all.

Roy
